

TARGET MONITORING CHART 2009/10

Objective One - Anti-Social Behaviour

Lead Agency - Council - Community Safety Manager

	Target	Quarter 1	Quarter 2	Quarter 3	Quarter 4
1.1	Maintain good/excellent rating to at least an average over the year of 88% measured quarterly. Data From:-ASB Team = Dawn Tyerman	100% good/excellent rating in the first quarter - excellent! 	100% good/excellent rating in the second quarter - excellent! 	100% good/excellent rating in the third quarter - excellent! 	
1.2	Increase Test Purchase Attempts year on year using baseline figure of 59 (2006/07). Data From:-Lorraine Wilford SBC Trading Standards	8 test purchase attempts in Q1 with no positive sales 	34 test purchase attempts with 3 sales made YTD. 	34 attempts with 3 sales YTD (only cig/firework test purchasing carried out in the quarter 3). 	
1.3	<i>NI17* Reduce residents' perceptions of ASB as a problem.</i> Using a baseline from Local Government Users Satisfaction Survey 2006 of 28% Achieve a 3% decrease in those who feel that ASB is a serious problem. Measured by the Place survey every 2 years. 2008 = 27.5 2010 = 26 Data From:-Place Survey Results	No update due.	No update due.	No update due.	
1.4	2% increase taken from a baseline figure from the last two MORI surveys of 54% feeling safe after dark. Survey due 2008 and 2010 Data From:-MORI Results	No update due.	No update due.	No update due.	
1.5	<i>NI41 *Perceptions of drunk and rowdy behaviour.</i> In 2008/09 set a baseline from the Place Survey. Achieve a 3% year on year reduction in the average level of concern. Data From:-Place Survey Results	No update due.	No update due.	No update due.	
1.6	Reduce the number of F3 deliberate fires over three years by 10%. 2008/09 = 4% reduction to 1,400. 2009/10 = 3% reduction to 1,358, 2010/11 = 3% reduction to 1,318 Data From:-Glenn Bowman Fire Service	There have been 365 deliberate F3 fires recorded in Q1. This means we are slightly above target with 198 fires in April alone due to exceptionally dry and warm weather. Time to reach target in future quarters. 	There have been 626 deliberate F3 fires recorded YTD. This means we are now on target to achieve! 	There have been 842 F3 deliberate fires recorded YTD. This means we are still on target to achieve! 	

TARGET MONITORING CHART 2009/10

Objective Two - Drugs

Lead Agency: Council/PCT - Head of Drugs Strategy

TARGET	Quarter 1	Quarter 2	Quarter 3	Quarter 4
2.1 <i>NI 40 Number of Drug users recorded as being in effective treatment. Using 07/08 as a baseline 1,135 increase by 102 in 2008/09, 59 in 2009/10, 32 in 2010/11.</i> Data From:- DAT - Dave King	Quarter 1 NDTMS data report is unavailable until end of August 09	This data cannot be reported on a quarterly basis, as reported on a yearly basis. 1249 PDU's in effective treatment as per our Q1 yearly report (this covers the full year period 1.6.08 to 31.5.09 subject to change). A 9.2% increase YTD which is 4.9% above the national average. Q2 yearly NDTMS data report is unavailable until November 09.	1254 PDU's in effective treatment as per Q2 yearly report (this covers the full year period Sep 08- Aug 09). 0.1% off target for the year. Still time to achieve target.	
2.2 Annual decrease in the number of positive tests on arrest using a baseline taken from an average of 2006/07 and 2007/08 of 848 Data From:- DAT Dave King/ Police Kath Barber	217 positive tests but 33 overturned, therefore, 184 positive tests upon arrest during quarter 1.	193 positive drug tests in Q2. 377 YTD on track to achieve a decrease on target	169 positive tests in Q3, 18 were overturned and so that leaves 151 for the final figure and 528 YTD. On track to achieve target.	
2.3 Provide housing support for people with a history of misusing drugs to at least 20 individuals receiving support, per year, measured quarterly Data From:- Stonham Housing	32 individuals received support (figures from 1st April to 30th June 2009, subject to change) Excellent result for Q1.	11 individuals received support (figures from 1st July to 30th Sep 2009, subject to change) Excellent result for Q2 and 43 YTD, target has been exceeded.	11 individuals received support (figures from 1st Oct - 3rd Jan 09-10, subject to change) 54 YTD, another excellent result for Q3.	
2.4 Maintain drugs intervention activity taken from a baseline from 2007/08 of 400. To achieve at least 1,200 over the plan. Target for 09/10= 420 interventions. Data From:- Police DI Drugs, Mark Buckley	Target for 09/10 420 interventions. 125 drugs intervention activity took place in Q1. 69 were arrest supply Class A and arrest for possession with intent to supply Class A. 47 search warrants, 3 Crack House closure and 6 cash seizures. Likely to achieve target.	85 drugs intervention activity took place in Q2. 39 were arrest supply Class A and arrest for possession with intent to supply Class A. 43 search warrants, 0 Crack House closure and 3 cash seizures. 210 intervention YTD, on target to achieve target. Life of the plan figure to date is 638, on target to achieve.	84 drugs intervention activity took place in Q3. 32 were arrest supply Class A and arrest for possession with intent to supply Class A. 52 search warrants, 0 Crack House closure and 3 cash seizures. 294 intervention YTD, on target to achieve. Life of the plan figure to date is 722, on target to achieve!	

TARGET MONITORING CHART 2009/10

Objective Two - Drugs

Lead Agency: Council/PCT - Head of Drugs Strategy

TARGET	Quarter 1	Quarter 2	Quarter 3	Quarter 4
2.5 To support the minimisation of harm to drug misusers and their families and the community at large by achieving at least 100% needle returns for all needle exchange services Data From:- DAT Dave King	120% exchange rate! 37,764 needles given out and 45,194 returned. Achieving above target.	80% overall exchange rate for Q2, 20,427 needles given out and 16,264 returned, not achieved target this quarter. A good result (101%) rate for the High street Project, however investigations underway to the low Pharmaceutical rate (23%). Training of Pharmacies is being looked at, along with reviewing the implementation and improvement of needle returns policies to address this low exchange rate.	In Q3 there were 40,335 needles distributed, and 44,137 returned, giving a return rate of 110%. Exceeding target!	
2.6 Ensure that drug tests are carried out for all arrests of 'trigger offences' with at least 95% of those arrested to be tested. Data From:- DAT Dave King	97% of those arrested for 'trigger offences' tested (April -May, provisional figures subject to change) no figures for June as these are reported 2 months behind.	99% of those arrested for 'trigger offences' tested(July- Aug, provisional figures subject to change). No figures for September as these are reported 2 months behind.	update for the end of Q2 showed 170 out of 175 people drug tested which was a rate of 97%, now above target. 99%, of those arrested for 'Trigger offences' tested. (October only) The provisional figure for November is 194 out of 204 which is 95%. No figures for December as these are reported 2 months behind.	

TARGET MONITORING CHART 2009/10

Objective Three - Violent Crime

Lead Agency : Police Chief Inspector of Operations

	TARGET	Quarter 1		Quarter 2		Quarter 3		Quarter 4	
3.1	Reduce serious violent crime ('Serious Violent Crime' is a nationally defined set of crimes). Using a baseline taken from 2007/08 of 78 crimes reduce by 3% (2.3) crimes per year by 2009. Data From:- SBC Anna Clark	There have been 29 SVC in Q1. the rate is currently 0.15. This is above target, and although violence is usually higher in summer months we are still unlikely to achieve the target.		A total of 25 SVC recorded in Q2 (0.13 per 1,000 population), which makes YTD total of 54 crimes and a rate of 0.28 per 1,000 population. We are almost certain to fail the target for this year.	NB q2 figure changed	There were 14 SVC recorded in Q3. This is a good reduction on the previous quarters and gives a YTD total of 68 (0.35 per 1,000 population). However, this will not be good enough to achieve the target for this year.			
3.2	Reduce violence in the night time economy. Using data from 2008/09 to identify a baseline and then aim for a year on year reduction of people attending A & E relating to violent crime Data From:- SBC Anna Clark	Baseline cannot be identified as of yet, Cardiff model went live 1st May 09, data to be gathered from A&E. 511 presentations to A&E for the months of May and June.		There were 672 presentation at A&E for Q2.		There were 317 presentations to A&E for Q3, giving a quarterly reduction.			
3.3	Reduce domestic violence through the completion of 46 sessions during the life of this Plan of the perpetrator programme and to have at least 40 men to successfully complete the process Data From:- harbour - Lesley Gibson/Lesley Hill	10 sessions held during Quarter 1, with 1 man successfully completing the programme, 52 sessions and 6 men completing the programme YTD for plan. Still time to progress within the life time of the plan to meet male target, above target on number of sessions.		12 group sessions held in Q2 with 14 men successfully completing the programme, 64 sessions and 20 men completing the programme YTD for the plan. Good results for Q2, exceeding session target and on track to achieve completion target.		11 group sessions completed in Q3, and one session cancelled due to adverse weather. Seven men successfully completing the programme. 75 sessions and 27 men YTD. Currently exceeding session target and on track to achieve completion target.			
3.4	Reduce incidents of DV by Increasing the number who have refrained from reoffending for at least 6 months following completion of the programme to above 60% Data From:- harbour Lesley Gibson/ Lesley Hill	5 men from last year have not re-offended for at least 6 months. 100% non reoffending rate. On target to achieve above 60%		3 men from previous quarters completers have not re-offended for at least 6 months. 100% non re-offending rate. On target to achieve above 60%		Three men from previous quarters completers have not re-offended for at least six months. 100% non re-offending rate. On target to achieve above 60%!			
3.5	Reduce overall violent crime rate to Improve and maintain our position in the newly configured MSCDRPS. Data From:- SBC Anna Clark	Stockton is currently 4th out of 15 MSCDRPs April - June 09) and significantly below the group average.		Stockton is currently 5th out of 15 MSCDRPs June-Aug 09) and significantly below the group average.		Stockton is still 5th out of 15 MSCDRPs (Sept - Nov 09) and significantly below the group average.			
3.6	Increase support for victims of DV and Increase by at least 5% the number of victims accessing support from harbour. Baseline taken from an average of 2005/08 of 378, 2008/09 = 397, 2009/10 = 417, 2010/11 = 438 Data From:- harbour - Lesley Gibson/Lesley Hill	142 adults accessed the Outreach service and 23 young people accessed the Children's Counselling service during Quarter 1 a total of 165 victims receiving support. On target to achieve.		135 adults accessed the Outreach service and 15 Young people accessed the Children's Counselling service during Q2, a total of 150 Victims receiving support and 315 YTD, on target to achieve.		170 adults accessed the Outreach service and 15 young people accessed the Children's Counselling Service during Q3, a combined total of 185 victims receiving support and 500 YTD, exceeding target.			

TARGET MONITORING CHART 2009/10

Objective Three - Violent Crime

Lead Agency : Police Chief Inspector of Operations

TARGET	Quarter 1	Quarter 2	Quarter 3	Quarter 4
<p>3.7 Increase supported housing options for victims of DV. Identify from RSL's and THL additional and dedicated properties for DV move on accommodation. Data From:- harbour - Lesley Gibson</p>	<p>Supported Housing has not yet been implemented, however work on-going with Tristar to identify properties that have received modifications and target hardening through 'Safe at Home' scheme. 51 properties were assessed and modified in Q1. Support work continues through Outreach services.</p>	<p>Again this support has not been implemented as no money has been set aside. Information is now given to Tristar quarterly which identifies properties that have received modifications and target hardening through 'Safe at Home' scheme. 28 properties were assessed and modified in Q2. Support work continues through Outreach services.</p>	<p>Whilst no properties have been identified, Tri-star are trying to identify suitable move on properties in the area around the refuge.</p>	
<p>3.8 Increase the number of those referred into MARAC who then accept a support intervention. Baseline to be taken from 2008/09 of 81 referrals into MARAC with half accepting support. Data From:- harbour - Lesley Gibson/Lesley Hill</p>	<p>Baseline taken from 2008/09 of 81 referrals into MARAC with half accepting support. 33 people were referred into MARAC, with 10 people accepting support during Quarter 1. Still time to achieve target.</p>	<p>64 people were referred into MARAC, with 29 people accepting support during Q2. 97 referrals into MARAC YTD with 39 YTD people accepting support. Excellent results for Q2, already exceeded target, on track to reach support target.</p>	<p>61 people were referred into MARAC, with 45 people accepting support during Q3. 158 referrals into MARAC YTD with 84 YTD people accepting support. Excellent result for Q3, exceeding both referrals and support targets.</p>	
<p>3.9 Reduce violent crime in and around licensed premises, obtain at least 7 ASBO/CRASBOs to ban violent offenders from Pub Watch Premises during the life of this Plan. 08/09=1 Data From:- SBC Chris Dunwell</p>	<p>1 ASBO/CRASBO granted during Q1. 2 YTD for plan. Still time to reach target</p>	<p>No ASBO/CRASBO's granted during Q2. Two YTD for lifetime of the plan. There are two packages pending for Oct 09 which means target is achievable in future quarters.</p>	<p>One ASBO/CRASBO granted during Q3. Three YTD for lifetime of the plan. To obtain a ASBO/CRASBO from PubWatch the perpetrator has to breach a barring at least three times, unless the perpetrator shows complete disregard for the barring it is very difficult to obtain a level of evidence needed for a successful application.</p>	
<p>3.10 To use 2008/09 to identify a baseline, then increase the number of assisted arrests arising from effective monitoring of CCTV by 5% year on year. Baseline identified from 2008/09 of 231, and target for 2009/10 to increase assisted arrests to 243. Data From:- SBC Paul Leonard</p>	<p>Base line taken from 08/09 of 231 assisted arrests. Need to achieve a target of 243 for this year 09/10 to achieve the 5% arrest increase. 35 CCTV assisted arrests for violent offences during Q1. Still time to achieve target</p>	<p>33 CCTV assisted arrests for violent offences during Q2. 68 YTD currently not on track to achieve target, however there have been 394 less violent crimes recorded this year compared to last year so we would expect the number assisted arrests to also reduce.</p>	<p>26 CCTV assisted arrests for violent offences during Q3. 94 YTD, currently not on track to achieve target. However it must be noted that all crime is currently lower than ever!</p>	

TARGET MONITORING CHART 2009/10

Objective Four - Criminal Damage

Lead: Police Chief Inspector Neighbourhoods

	TARGET	Quarter 1		Quarter 2		Quarter 3		Quarter 4	
4.1	Reduce Criminal Damage by 12% over three years from an average of 2005/08 of 5,162 2008/09 3% reduction to 5,007 2009/10 4% reduction to 4,800, 2010/11 5% reduction to 4,542 Data From:- SBC Anna Clark	791 offences in Q1, which is a 31% reduction on the same period last year and 34% better than the target to achieve this year.	😊	There have been 1,493 recorded offences YTD, which is a reduction of 23% on the same period last year, and 38% better than the target. On target to achieve. Excellent!	😊	The number of offences recorded YTD is 2,210. This is a reduction of 20.3% on the same period last year and 39% better than the target for this year. Almost certain to achieve year end target - excellent!	😊		
4.2	Increase the number of incidents reported to the ASB Team by Police Officers, Fire Officers of graffiti, damage and rubbish. 2008/09 baseline of 64 and obtain a yearly increase for 2009/10 and 2010/11 Data From:- SBC Dawn Tyerman	6 calls received in Q1 compared to 22 call fro the same period last year. Posters were first distributed in this time last year. Still time to improve in future quarters.	😊	There have been 6 calls received in Q2 with 12 calls received YTD, compared to 43 calls in the same period last year which means the target is unlikely to be reached. It should be noted that all primary schools in the Borough have been targeted to educate them on criminal damage and graffiti. Criminal Damage figures have significantly reduced since the target was set, and associated environmental factors are also down. All agencies involved to be reminded of this reporting mechanism, to make improvements in the remaining quarters.	😞	There have been 3 calls received in Q3 with 15 calls received YTD, which means we are not on target to achieve the target. Further leaflets have been produced and distributed to police officers.	😞		
4.3	Increase sanction detention rate by 2% year on year from a baseline of 14.5% 2007/08 Data From:- SBC Anna Clark	End of year Sanction Detection rate is 20.6% - on target	😊	297 sanction detections for Criminal Damage offences YTD, which is a detection rate of 19.9%. On target.	😊	417 sanction detections for Criminal Damage YTD, which is a rate of 18.9%. On target.	😊		
4.4	Reduce bogus criminal damage reports by identifying number of repeat callers by March 2009, and visit 100% of repeat callers Data From:- Police (A. Fox) and Tristar (P Noddings)	Insp Fox reported 100% of number of repeat callers visited.	😊	Insp Fox reported 100% of number of repeat callers visited or telephoned by NPT.	😊	Insp Fox reported 100% of number of repeat callers visited or telephoned by NPT in Q3.	😊		
4.5	Reduce the number of F1 deliberate fires over three years by 20%. 2008/09 8% reduction to 261, 2009/10 6% reduction to 246, 2010/11 6% reduction to 231 Data From:- Fire Service Paula Gowland	39 deliberate primary fires recorded in Q1, which means we on target to achieve!	😊	79 deliberate primary fires recorded YTD which means we are still on target to achieve - excellent!	😊	107 deliberate primary fires recorded YTD which means we are still on target to achieve!	😊		

TARGET MONITORING CHART 2009/10

Objective Five - Divert Young People from Offending

Lead Agency: Council - Youth Offending Service Manager

TARGET		Quarter 1		Quarter 2		Quarter 3		Quarter 4	
5.1	Reduce the number of first time entrants (FTE) to the Criminal Justice System by 5% year on year taken from a revised actual baseline from 2007/08 of 453 (agreed locally and subject to change) Data From:- SBC Julie Dinsdale	89 FTE this quarter on target to achieve!	😊	62 FTE this quarter giving a YTD total of 151. On target to achieve	😊	74 FTE this quarter giving a total of 226 YTD. On target to achieve!	😊		
5.2	Over the lifetime of this plan 5% increase in children and young people accessing harbour children's counselling service. Baseline from 2007/08 of 167 2008/09 = 180 referrals achieved Data From:- harbour - Lesley Gibson/Lesley Hill	23 young people accessed the children's counselling service in Q1. This is a total of 203 children accessing the service over the life of the Plan which means the target has been achieved!	😊	15 children in total accessed harbour children's counselling service during Q2. This is a total of 38 YTD, with 241 over the life of the Plan which means target now exceeded - excellent!	😊	15 children accessed harbour children's counselling service during Q3. This is a total of 53 YTD and LOP = 256 Target achieved!	😊		
5.3	Increase the number of young fire setters identified and receiving joint intervention by 10% year on year based on a baseline from an average taken from three years of 2005/08 of 72, 2008/09 = 80, 2009/10 = 88, 2010/11 = 96 Data From:- Fire - Shaun Williams	22 children have received joint intervention for the first quarter. On Target	😊	Six children received joint intervention this quarter. 13 were referred, but this is a voluntary intervention and seven of those children chose not to engage with the service in quarter two. This is 28 YTD - improvement is needed in future quarters to achieve this target.	😐	30 children have received joint intervention this quarter, which gives a total of 58 YTD. Improvement is still needed in the final quarter to reach target.	😐		
5.4	<i>Decrease of the number of 16 to 18 years old not involved in education, employment and training. (NEET)</i> Using a baseline taken from 2004 of 12.6% 2008/09 = 9.2%, 2009/10 = 9%,. This target will be revised for 2010/11 Data From:- Connexions Lesley Harrison	Percentage of 16 to 18 year olds who were NEET was 10.4% for this quarter. Target for this year is 9% we are currently 1.4% over target. The current economic climate is a major contribution to this.	😐	Percentage of 16 to 18 year olds NEET was 13% for this quarter. This is a YTD average of 11.7%. Recording systems include school and college leavers until early Oct when school and college lists are confirmed, so we can look forward to a reduction in the next quarter.	😐	Percentage of 16 to 18 year olds who were NEET was 11.1% for this quarter. The average is 11.5% YTD which is 2.5% over target. The current economic climate is a major contribution to this.	😐		
5.5	Divert young people into positive activities providing at least 150 three hour sessions per year. Data From:- Corner House - Jacky Duncan	Funding for P.O.D.S. ended in March 09. Further youth work is being carried out through YCAP	😊	Funding for P.O.D.S. ended in March 09. Further youth work is being carried out through YCAP with 518 activities YTD, sessions such as street based activities to football and go-karting.	😊	Funding for P.O.D.S. ended in March 09. Further youth work is being carried out through YCAP	😊		

TARGET MONITORING CHART 2009/10

Objective Six - Other Theft

Lead Agency : Police Chief Inspector - Crimes

	TARGET	Quarter 1	Quarter 2	Quarter 3	Quarter 4
6.1	Reduce Other Theft by 10% over the three year period from a baseline of 4,411 in 2007/08, 2008/09 2% reduction to 4,323, 2009/10 3% reduction to 4,190, 2010/11 5% reduction to 3,970 Data From:- SBC Anna Clark	There were 860 crimes in the first quarter. This is a 31% reduction on the same time period last year and 18% better than the target to achieve this year. On target to achieve! 	There have been 1,578 recorded offences YTD, which is a reduction of 28% on the same period last year and 25% better than the target to achieve this year. Excellent! 	The number of offences recorded YTD is 2,295. This is a reduction of 23.1% on the same period last year and 27% better than the target for this year. Almost certain to achieve year end target - excellent! 	
6.2	Monitor the number of convictions recorded against PPOs and achieve a 5% reduction year on year from a baseline taken from 2008/09 Data From:- Jeff Evans	Q4 figures from 08/09 are 22 convictions recorded against the PPOs giving a baseline figure of 157 convictions 	Q1 figures are not due to be released until early November these will be updated next quarter. Baseline for 08/09 set at 157 convictions. 	Q2 figures are not due to be released until early February these will be updated next quarter. Baseline for 08/09 set at 157 convictions. 	
6.3	Increase the number of arrests from shoplifting identified through the councils control room, use 2008/09 to obtain a baseline figure for this category, then increase by 5% year on year Data From:- SBC Paul Leonard	3 offences were identified by the control room in Q1. The baseline for 2008/09 is 13 offences. Currently on target to achieve. 	4 offences were identified by the control room in Q2. YTD total is 7 offences. On target to achieve! 	No offences were identified by the control room in Q3. Total is seven YTD. This is inline with shoplifting figures for December with reductions of more than 50%. 	
6.4	Target Fly tipping operators and scrap dealers by increasing the number of planned operations from 7 in 2007/08 by 5% year on year. Data From:- SBC Marc Stephenson (ZHR + dedicated operations)	12 operations carried out in Q1- which means target exceeded. There is a dedicated NES Officer directing this work, with particular focus on theft of scrap metal and gully lids working in partnership with the Police - excellent work! 	3 operations carried out this quarter giving a YTD total of 15. Target achieved. 	Four operations carried out this quarter including a large operation targeting fly-tipping during the bonfire period. This gives a total of 19 operations YTD. Target achieved! 	
6.5	All PPOs in the Community who continue to offend to have an ASBO/CRASBO package prepared by the Volume Crime Coordinator. Measured yearly against the PPO list Data From:- SBC Chris Dunwell	Of the 36 current PPO's, 23 are in the community, 11 are in custody. Of the 23 in the community, 2 have orders granted and another 2 have packages pending. 	Of the 33 current PPO's, 20 are in the community, 13 are in custody. Of the 20 in the community, one has an order granted and one has a package pending. Of the 13 in custody three have orders granted and one with an order pending. 	Of the 34 current PPO's, 22 are in the community, 12 are in custody. Of the 22 in the community, two have an order granted and none have a package pending. Of the 12 in custody one has an order granted and one with an order pending. 	
6.6	Reduce the number of people who continue to leave their wheelie bin out after receiving a section 46 by 5% year on year from a baseline taken from 2007/08 of 114, 2008/09 = 108, 2009/10 = 103, 2010/11 = 98 Data From:- SBC Claire Tait	27 FPN's issued for breach of section 46 - on target to achieve! 	23 FPN's Issued for breach of Section 46, this is a YTD total of 50. On target to achieve! 	18 FPN's issued for a breach of Section 46, this gives a total of 68 YTD. On target to achieve! 	

TARGET MONITORING CHART 2009/10

Other Targets Monitored by SSP

	TARGET	Quarter 1		Quarter 2		Quarter 3		Quarter 4	
7.1	Number of deliberate (i) primary and (ii) secondary fires per 10,000 population. Using a baseline from a three year average 2004/07 of 93.5 per 10,000 population reduce by 11.6% 2008/09 = 87.9, 2009/10 = 84.8, 2010/11 = 81.9 Data From:- Fire Service Paula Gowland	414 deliberate primary and secondary fires were recorded in Q1 with a rate of 21.8% per 10,000 population which means slightly under target, but with time to improve.	😊	705 deliberate primary and secondary fires recorded YTD with a rate of 36.7 per 10,000 population which means that we are now on target to achieve!	😊	949 deliberate primary and secondary fires recorded YTD with a rate of 49.5 per 10,000 population which means that we are still on target to achieve - excellent!	😊		
7.2	Maintain reductions in all crime, maintain our position to be below the newly configured MSCDRPs average for All Crime. Data From:- SBC Anna Clark	Stockton is currently 5th out of 15 MSCDRPs (April – June 09) and significantly below the group average.	😊	Stockton is currently 5th out of 15 MSCDRPs (June-Aug 09) for all crime and significantly below the group average.	😊	Stockton is still 5th out of 15 MSCDRPs (Sept - Nov 09) for all crime and significantly below the group average.	😊		
7.3	Community Cohesion Target: Increase the use of Offensive Incident reporting forms sent to the ASB Teams. Data From:- SBC Dawn Tyerman	There have been 2 ASB reports in Q1. This is an improvement on reporting in 2008/09 where no reports were received until Q4.	😊	There have been no further reports received in Q2, two reports received YTD. This is still an improvement on last year.	😊	There have been no further reports received in Q2, two reports received YTD. This is still an improvement on last year.	😊		
7.4	Community Cohesion Target: Achieve the targets in Key Priority 1. Data From:- SBC Claire Sills	There are six targets three not due an update and three which are green.	😊	There are six targets in total three are not due an update, and the remaining three are green.	😊	There are six targets in total three are not due an update, and the remaining three are green.	😊		
7.5	Prevent older people from being victims of commercial crime in their own home. Develop a plan for roll out in line with OFT advice. Data From:- SBC Loraine Wilford	There is now a procedure in place with a co-ordinated approach taken with Neighbourhood Watch and Cleveland Police. In Q1 13 new applications have been received with 7 new zones approved, and 227 doorstoppers information packs delivered.	😊	20 applications have been received YTD, with 11 No Cold Calling Zones; 1 Doorstep Crime Watch Zone; and 606 information packs delivered. Excellent!	😊	Since procedure for accepting and assessing applications for zones introduced we have: with 26 requests for zones received Three Doorstep crime watch zones approved and 1015 consumer information packs delivered.	😊		
7.6	Improve the rating of older people (over 65) from a baseline of 78% who feel safe walking alone outside during the daytime by 2% during the lifetime of this Plan. NB: Typing error noticed in printed Plan, corrected here and on website. Data From:- MORI Results	No update due.		No update due.		No update due.
